September 11, 2021

Dear Residents, Clients and Families:

We are happy to report that following the guidance of Chippewa County Public Health, we are now able to resume visitation schedules.

To best manage safe visits during this time of increasing cases in our county, we ask that you please call ahead to schedule your visit. A copy of our safe visitation guidance is available on our website. If you have any questions about a scheduled visit or wish to make an appointment, please call our Life Enrichment Department at (715) 723-4437.

Thank you for aiding us in the fight against the COVID -19 virus. We appreciate your support as we continue to follow the best practices for mitigation and safety.

Sincerely,

A handwritten signature in cursive script that reads "Jill Gengler".
